

## **Refund Policy for Coach Maurice Chism**

If you go through one of the self paced courses you purchased, implemented the strategies, and don't see any results, you can email me within 30 days for a partial/half refund.

You must provide evidence you have 100% completed the course, did the work (e.g.: provide your goal setting plan) and show you're not getting results.

We do not offer refunds simply because you changed your mind, made it through the course and claim that you already knew everything, or because of other unrelated or extraneous circumstances. No exceptions.

We reserve the right to evaluate your request and to make a decision accordingly.

All refund requests must be sent to [support@chismgroup.net](mailto:support@chismgroup.net) with proof of purchase and proof of implementation and lack of results.

- **COACHING**

There are no refunds for any of the coaching programs because there is nothing to refund.

For the avoidance of doubt, we ask you to be aware that all deposits paid are strictly non-refundable and no refunds will apply to your purchase of any coaching package unless specific and unexpected circumstances arise that prevent us from delivering that package to you.

If you are unsure as to whether coaching is right for you then please take advantage of our complimentary call to learn more about how you can benefit from coaching and whether coaching with Maurice Chism is right for you.
